INTRODUCTION

There are two types of contestable funds distributed by Harbour Sport:

- Local Community Fund – for applications between \$5,000 - \$30,000 per annum, up to three years
- and FastFund – for applications under \$5,000

The Local Community Fund is distributed under the guidance of a KiwiSport External Advisory Group with membership comprised of a Primary School Principal, Secondary School Principal, Regional Sport Organisation, National Sport Organisation, and an independent chair.

This investment is to support projects or initiatives that can provide new or increased opportunities for children aged 5-18yrs' participation in organised sport in the North Harbour region.

To qualify for KiwiSport, projects must operate within Harbour Sport's boundaries which covers the following local board areas:

- Rodney
- Hibiscus and Bays
- Upper Harbour
- Devonport Takapuna
- Kaipatiki

This guide aims to outline the key information and application process for the North Harbour Local Community Fund, and FastFund.

KIWISPORT BACKGROUND

KiwiSport is a national initiative that was launched in 2009 by the Prime Minister.

KiwiSport aims to:

- Increase the number of school-aged children participating in sport and recreation – during and outside of school hours;
- Increase the number of opportunities children have to play, by making opportunities accessible and available; and
- Develop skills and support children to enable them to participate effectively in sport and recreation.

KiwiSport consists of two funds, a “Direct Fund” which is paid to directly to schools as part of their operational grant, and a “Regional Partnership Fund” which is invested in community groups to support sport for children aged 5-18yrs. In Auckland, this is split in to two pools, a Regional Fund managed by Aktive and a Local Fund managed by the 4 local Regional Sports Trusts. Information on each fund, and how to apply, follows.

KEY INFORMATION

- North Harbour Local Community Fund and FastFund are contestable investment targeted for projects from regional/national sport organisations, schools, and clubs in the North Harbour region
- A total of \$270,152.15 is available this financial year to be distributed on a contestable basis, for projects of up to three years’ duration. Investment will be distributed based on quality and robust applications. If demand exceeds the amount available, as it has in previous rounds, some applicants will miss out
- KiwiSport Fund is seed funding, and is not designed to maintain the same initiative long term
- If your project is successful, baseline data will need to be provided, and Investment Agreement finalised and signed PRIOR to the project commencing
- If your project is delivered in schools, evidence of engagement needs to be provided at the full application stage (can be in the form of a letter of support or email)

Local Community Fund (\$5,000 - \$30,000 per annum, up to three years)

- The Local Community Fund has 2 funding rounds per year, one in September, and one in March
- \$230,152.15 per annum will be allocated to Local Community Fund and is split equally between the two funding rounds, however for projects that the KiwiSport External Advisory Group deems to be “significant,” the option will exist to utilise funds set aside for the next funding round
- Local Community Fund Projects can be up to 3 years in duration and there are opportunities for sporting codes to partner in a joint application where applicable
- An Expression of Interest needs to be completed and submitted before the closing date. If your Expression of Interest is accepted, a Full Application form will be provided

- KiwiSport External Advisory Group will make recommendations for distribution of investment to the Harbour Sport Board of Trustees
- You will be notified of the outcome of your project within 25 working days of submitting the Full Application (within 45 working days of submitting the Expression of Interest)
- A letter of support from the National Sport Organisation of the sport(s) delivered needs to be provided at the full application stage
- Schools involved in a KiwiSport project must contribute equivalent of 50% of their direct fund
- Sports and other partners must contribute 10% of local community fund invested

FastFund (up to \$5,000)

- FastFund is open all year round until all of the investment is allocated
- \$40,000 per annum will be allocated to FastFund projects
- KiwiSport Working Group will make recommendations for distribution
- You will be notified of the outcome of your project within 19 working days of submitting the application
- FastFund projects cannot be 100% funded by KiwiSport and must show partnerships

APPENDIX 2: CHILD PROTECTION IN SPORT

The lead organisation will be required to have a Safe Sport for Children policy to ensure safe sport practices are in place. The policy must include police clearance checks made on any person/s that are delivering to students. For further details: <http://www.sportnz.org.nz/assets/Uploads/attachments/managing-sport/young-people/Safe-Sport-for-Children.pdf>

Keeping children and young people safe as they participate in sport and recreation activities is one factor that helps to increase the level of enjoyment and enhances the attractiveness of sport and recreation.

Ensuring that organisations and groups that receive RPF have appropriate practices and procedures in place to keep children and young people safe is vital to the success of KiwiSport in our region.

Aktive will check that funding recipients have all aspects of child protection covered. In the absence of a policy (or appropriate code of conduct) an organisation should cover off the following procedures for protecting children and young people:

- Identification of a person (or people) with responsibility for child safety;
- Clear guidance on matters such as supervision ratios and emergency procedures;
- A process for recording incidents/accidents, concerns and referrals and appropriate storage of these;
- A process for dealing with complaints;
- When recruiting staff/volunteers - assess their suitability for working with children;
- Referee checks on staff and volunteers; and
- Induction and training for staff and volunteers;
- Emergency contact information collated from each child/young person;
- Medical information gathered;
- Attendance registers kept;
- Equipment checklists maintained;
- A health and safety checklist applied; and
- First aid available

APPENDIX 3: COMPLAINTS PROCEDURE

If you want to make a complaint regarding either regional or local KiwiSport, Aktive - Auckland Sport & Recreation has a standard procedure for you to use and this is described below.

Making a complaint will not affect in any way the level of service you receive from us. For example, if your complaint is about an application for funding, this will not affect your chances of getting a grant in the future.

What is a complaint?

You can complain if you think that:

- you received unsatisfactory customer service
- the correct procedures were not followed in relation to a funding process or decision.

This procedure cannot be used for appeals against funding decisions if the Regional or Local KiwiSport Advisory Group has followed the decision-making process correctly.

How do you make a complaint?

Stage One

If you are not happy with the service you have received, contact the staff member you first dealt with. They will try to resolve your complaint immediately. If this is not possible or you are still not satisfied, you will be referred to a formal complaints procedure.

Stage Two

If you were not satisfied with the response you initially received you can make a formal complaint in writing to:

The Compliance Officer

Aktive - Auckland Sport & Recreation

PO Box 302145

North Harbour, North Shore

- briefly what the complaint is about

- when it happened
- who originally dealt with the matter
- what action is expected to put things right.

Your complaint will be acknowledged within seven working days of receiving it and a full response issued within 14 working days. If we cannot give a full reply in this time, we will tell you why and when you are likely to receive it.

If you are still not satisfied with the response at this stage you can refer your complaint to the CEO and Board of Aktive.

Monitoring Complaints and Improving our Record

Aktive will record all complaints and comments received about our services and procedures and the subsequent action taken.
