What We Do

- Support community development for sport and healthy lifestyles and strive to influence more people to participate in sport and physical activity
- Provide advocacy, expertise, investment and support to RSOs, Clubs, Schools and Community organisations within our region
- Support the capability of these organisations by modelling and sharing good practice in governance, management, leadership, community engagement and development
- Work collaboratively developing relationships with and between Council, Local Boards, RSOs, Clubs, Schools and Community organisations, to achieve the most effective outcomes for sport and recreation in all communities within our region
- Seek contracts related to sport, recreation and health and where possible fill gaps in the community where delivery is required before turning it into a sustainable project that can be passed on to local community groups
