# Olympian Beth Smith appointed Deputy Chair of Harbour Sport

At the recent Board meeting of the Harbour Sport Trust, solicitor and former long serving Black Stick hockey representative and double Olympian, Beth Smith (Jurgeleit) was appointed as the new Deputy Chairperson of Harbour Sport Trust.

Beth replaces Vick Skill as Deputy Chair after Mrs Skill stepped down from the Board role due to increased work pressure. Vicki Skill has been a long serving member of the Board and has been actively involved in the Audit and Finance and Business Development aspects of the Trust.

"I'm delighted to have the opportunity to be Deputy Chair of the Harbour Sport Board," Smith said today.

"I am passionate about the very key role that sport and recreation can play in the North Harbour region and look forward to working alongside Chair, Malcolm Allan and a Board with an excellent mix of skills and diversity," Smith further stated.

"I would also take this opportunity to acknowledge the time, energy and expertise Vicki has brought to the Harbour Sport Board".
