

## **Research and Evaluation Lead (Full time)**

Sport Whanganui has an exciting opportunity for a dynamic, motivated and skilled professional to contribute to the Sport Whanganui Team.

The Research and Evaluation Lead (REL) is the in-house specialist responsible for the development and delivery of the organization's research and evaluation work program.

The purpose of the research and evaluation program is to consistently use evidence to influence decision making at multiple levels of our organization. This is to ensure that there is a strong base of evidence to inform and meet our strategic direction as well as to continuously improve and demonstrate our impact.

Your key areas of responsibility will include: - Contributing to organizational effectiveness, Research and Analytics, Evaluation & Relationship Management.

The successful candidate will be a confident communicator, have excellent data interpretation skills, competent in understanding and translating various forms of research - information and insights, good time management, strong analytical and problem-solving skills and be competent working with electronic systems and tools.

**Applications close: Sunday 18<sup>th</sup> October 2020**
