

## COMMUNITY LEAD (X 2) (Wellington)

### Growing New Zealanders' love of basketball

Basketball in Aotearoa has experienced strong growth during the last decade with more people playing, watching, and becoming fans. Through our Strengthen and Adapt Plan we are transforming basketball across the country. Key focus areas include growing the game for girls and women, participation and player wellbeing, developing community clubs, spaces to play and quality development for coaches and officials.

#### Do you have what it takes to lead transformation?

We are looking for people who are:

- Passionate about people, communities, and sport
- Capable of leading projects from start to finish
- Able to think strategically, plan and deliver on the desired outcomes
- Resilient and flexible with a positive attitude
- Keen to build strong relationships with diverse groups
- Committed to outstanding customer focus

These two roles will develop and implement community development strategies and deliver development projects with targeted regions, clubs and communities. One role will focus on club and league development and one on growing the game for women and girls. Both roles may lead projects in other key areas including: facilities and spaces to play; helping clubs and communities develop coaches and officials; providing participation programmes; and improving player wellbeing. Travel will be required, and a branded vehicle will be part of the remuneration package.

**You will need:** A relevant qualification, or equivalent experience in community sport development and delivery; experience developing and delivering community programmes; high levels of energy and the ability to influence and lead change; excellent written and oral communication skills; a valid and clean driver's license.

#### What we offer:

- An exciting, dynamic, and challenging work environment
- Professional development and exposure to the sport and recreation sector
- Flexible working arrangements
- The opportunity to make an impact with the fastest growing major sport in NZ

This is a full-time, permanent, employment opportunity that requires flexibility and a willingness to travel.

An understanding of basketball as a sport would be advantageous. To apply, go to Seek:

<https://www.seek.co.nz/job/53699648>, click on the "apply for this job" button and **upload your current CV and Cover letter**. Cover letters should outline why you believe you are the right person for this role and can be addressed to Sharon Searle, SmS Consulting Limited. All applications must be received online and will be acknowledged by email. The deadline for applications is **5pm, Friday, 10 September**.

**No recruitment agencies please**
