

Position Available:
Badminton North Harbour Development Officer

Badminton North Harbour are on the lookout for a new Development Officer.

The Development Officer is directly responsible for the management of all player development activities, with a particular focus on junior development and membership growth.

Reporting directly to the Chief Executive whilst working closely with the Coaching and Event Managers, the Development Officer will be responsible for all the school programs including "Kiwi Sport", holiday programs, abilities squads and rep teams.

The identification of potential players and the pathway from beginners to a representative player will be an integral part of this role. Leveraging the Badminton World Federation training platform which includes Shuttle Time and Badminton World Federation coaching courses, the Development Officer will also be responsible for the development of coaches in clubs and schools, thus building our base of people that can deliver quality coaching to all players.

The suitable person should have good written and verbal communication skills as they will be dealing with a wide range of people, including children, teachers, sports administrators, principals, and parents.

A good rapport with children is very important, as are strong administration skills, as there are various reports and administrative requirements in this role.

We are a close-knit team that strives to deliver badminton to the very highest level.

If you are interested in being part of one of New Zealand's leading badminton organisation, and the role sounds like something you would be passionate about, please forward your current CV and cover letter to glenn@bnh.org.nz.

Applications for this role close on Tuesday 9th November 2021
