

Position Description

Job Title: Healthy Active Learning Advisor

Organisation: Harbour Sport

Background

In Auckland, Korikori has been established to build a system across Auckland that allows young people 5-18 years (tamariki and rangatahi) in priority socio-economic and community of activity areas to have quality physical activity experiences in regard to play, physical education, active recreation and sport within primary, intermediate and secondary school and kura settings. As part of Korikori, Healthy Active Learning will help create active school environments by improving the wellbeing of children and young people through healthy eating and drinking, and quality physical activity. The Healthy Active Learning workforce is responsible for working alongside school leaders and teachers to increase the value and provision of the Health and Physical Education Curriculum within schools as well as community providers to enhance the provision of play, sport and physical education, and to create better connections between schools and their local communities.

Job Purpose

We are looking for a Healthy Active Learning Advisor to play a critical role in the roll out of the new initiative, Healthy Active Learning. These roles will work with Boards of Trustees, principals, senior leaders and teachers of selected primary and intermediate schools to provide advice and customised support. This will enable schools to strategise, plan and develop systems that contribute to the development of an active and healthy school culture.

The Healthy Active Learning Advisor will support school leaders and teachers to better plan and implement the Health and Physical Education and Hauora curriculum, identify and develop opportunities for quality physical activity experiences for tamariki (in school and in the community), and advise on how to establish healthy behaviours and environments through supporting the adoption and implementation of healthy food and water-only policies.

Developing and maintaining strong meaningful relationships with school principals, senior leaders and teachers is a critical component of this role.

Key Accountabilities

- Develop and nurture regional and local partnerships, particularly relationships with selected primary and intermediate schools.
- Engage and work with the Boards of Trustees, principals and senior leadership teams of the selected primary and intermediate schools to connect Healthy Active Learning to schools' values, achievement challenges and strategic educational outcomes.

- Be comfortable asking challenging questions and having critical conversations with school leaders.
- Ensure the philosophies and principles underpinning Healthy Active Learning are applied, including Sport New Zealand's insights, physical literacy and locally led approaches.
- Provide relevant and up to date HPE curriculum knowledge as well as planning, teaching and assessment strategies that support students' engagement and achievement.
- Utilise and deploy Health Physical Education resources available when and where appropriate to support quality planning and delivery.
- Maintain a good working relationship with the Public Health Unit Healthy Active Learning health promoter, and seek advice from, and link the health promoters with their schools where there are specific nutrition/food questions or issues that require nutrition expertise.
- Work with the selected primary and intermediate schools and their (Board of Trustees, staff, students and parents/caregivers) to integrate healthy eating and water-only messages into Health and PE teaching where appropriate.
- Understand and promote the value of physical activity for the holistic wellbeing of tamariki.
- Support schools to identify how to enhance and support schoolteachers' and students' wellbeing through physical activity.
- Ensure all decisions and behaviours are inclusive and embrace diversity across the wider school and community, through commitment to social justice, equity and equality.
- Ensure the Treaty of Waitangi and its principles of Partnership, Protection and Participation are acknowledged and reflected in the implementation of the initiative.
- Mitigate and openly communicate any possible risks or incidents that have the potential to bring Active's partners (RSTs, CLM Community Sport), Sport New Zealand and/or invested partners into disrepute.
- Monitoring and Evaluation – support the development of effective monitoring and evaluation methods that demonstrates the impact that the Healthy Active Learning initiative makes in Primary and Intermediate Schools.
- Communication – maintain effective communications between all parties.

Reporting
